REMARKS/ARGUMENTS

Favorable consideration of this application, as presently amended, is respectfully requested.

By the present Preliminary Amendment the specification is amended to correct minor informalities and to make minor clarifications. The changes made to the specification are not believed to raise any issues of new matter.

Further, a replacement Figure 10 is submitted herein which more properly shows the connections at point GM. Also attached to the present response is an annotated Figure 10 showing those changes.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
